

For Immediate Release

**MachineryLink Hires Shae Rightmire as
Manager, Planning and Customer Service**

Kansas City, Mo. (October 18, 2007) – MachineryLink, Inc., the leading provider of combining leasing programs for agricultural producers in North America, today announced the hiring of Shae Rightmire as Manager, Planning and Customer Service. Shae will be responsible for planning and scheduling of all company assets to customer contracts sold insuring customers receive equipment on time while maximizing asset utilization and minimizing transportation cost.

Prior to joining MachineryLink, Shae served as Customer Service Manager for Ankmar, LLC, where she was responsible for production planning, inventory management, logistics coordination and customer service. Shae also brings experience as Customer Service Manager for Filtration Group, where she handled all customer and sales support, production planning and traffic coordination. Her experience also includes serving as Training Coordinator for Med4Home, Buy Line Account Manager for Continental General Tire and Customer Service Coordinator for Harmon Auto Glass.

Shae holds a bachelor's degree in business administration from Trinity College and University in Metairie, Louisiana and is currently working on a master's degree in organizational leadership and development.

About MachineryLink, Inc.

MachineryLink (www.machinerylink.com) is the leading and fastest growing provider of combine leasing programs to agricultural producers in North America. Its headquarters are in Kansas City, MO, with operational centers in Pratt, KS and N. Sioux City, SD. The company also maintains seasonal service facilities in five locations across the United States. MachineryLink's unique Managed Lease program allows growers to significantly lower their equipment costs by providing the latest harvest technology and equipment with guaranteed delivery and pick-up.
