For Immediate Release

### **Machinerylink Hires Rachel Harred as Regional Sales Manager, Western Texas**

**Kansas City, MO (October 10, 2011)** - MachineryLink, Inc., a diversified agricultural platform and the leading provider of combine leasing programs to agricultural producers, today announced the hiring of Rachel Harred as Regional Sales Manager for Western Texas.

Harred comes to Machinerylink from Midwestern Pet Foods, Inc, where she served as a territory sales manager for West Texas and New Mexico. Prior to Midwestern, she served as a loan officer with Lone Star Ag Credit where she managed a loan portfolio of agricultural credit lines, term equipment and livestock loans.

Rachel holds a bachelor's degree in agricultural leadership & development, with a minor in business, from Texas A & M University in College Station, Texas.

#### **About Machinerylink, Inc.**

MachineryLink ([www.machinerylink.com](http://www.machinerylink.com)) is a diversified agricultural services platform, serving North American grain producers since being incorporated in 2000. The Managed Lease program allows growers to significantly lower their equipment costs by providing the latest harvest equipment and technology back by world-class support, with guaranteed delivery and pick-up. Harvest optimization support, biomass supply chain resources and specialized transportation services are also part of the integrated MachineryLink platform. Its headquarters are in Kansas City, MO, with operational centers in Pratt, KS and N. Sioux City, SD. The company also maintains seasonal service facilities in five locations across the United States.
