

For Immediate Release

## **MachineryLink Hires Brian O'Hara at Vice-President, Logistics**

**Kansas City, MO (December 1, 2008)** - MachineryLink, Inc., the leading provider of combine leasing programs to agricultural producers in North America, today announced the hiring of Brian O'Hara as Vice-President, Logistics. In this position, O'Hara will lead the transportation and logistics operations, the customer service platform, and MachineryLink Transportation (MLIT). He will report directly to the President and CEO, Scott Hazlett.

O'Hara arrives at MachineryLink with over 16 years of experience in transportation, logistics and customer service. Most recently, O'Hara served as Senior Vice-President, Operations for DHL's Midwest and Mid-Atlantic geographies, culminating his last 11 years with DHL, holding positions as Regional Field Services Director and District Manager. Prior to DHL, O'Hara served a variety of leadership roles with UPS with their hub operations and air delivery.

O'Hara graduated from Rowan University and will be relocating to Kansas City from his current residence in Indianapolis.

### **About MachineryLink, Inc.**

MachineryLink ([www.machinerylink.com](http://www.machinerylink.com)) is the leading and fastest growing provider of combine leasing programs to agricultural producers in North America. Its headquarters are in Kansas City, MO, with operational centers in Pratt, KS and N. Sioux City, SD. The company also maintains seasonal service facilities in five locations across the United States. MachineryLink's unique Managed Lease program allows growers to significantly lower their equipment costs by providing the latest harvest technology and equipment with guaranteed delivery and pick-up.
